

Deposit a check with your mobile phone. Try it today.

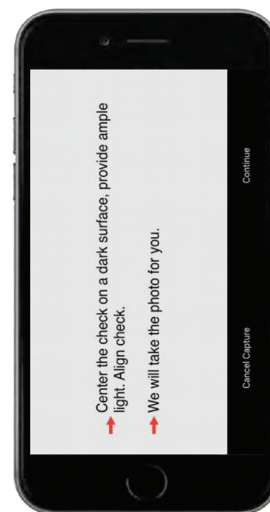

After logging in, tap the "Deposit" button in the menu bar at the bottom of the screen. Tap "Deposit a check" from the deposit screen.

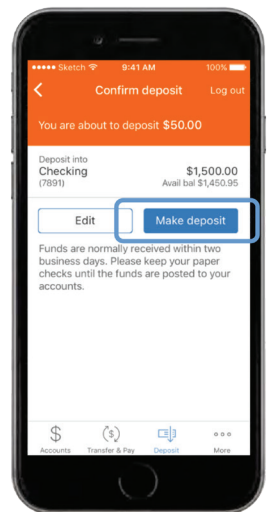

To begin, endorse the back of the check "Mobile Deposit". Choose your account and enter the check amount. Tap "Take Photos" to proceed.

Take a photo of the front and back of the check following the onscreen instructions.

If you need assistance taking the photos, tap the question mark icon in the top right of the screen. This button will prompt you with instructions to get the best results for the images. The photo will be taken for you.

After taking the photos, tap "Make deposit" button. This will confirm the check amount and the correct deposit account. You can check the status of your deposit at any time.
