Printed Member Name

---

Member Signature

Date

I authorize CODE Credit Union to obtain a credit report on my behalf through the credit reporting agency of its choice. I am aware this will not affect my credit score. If an adverse credit decision is made due totally or partially to the information on the credit report, CODE will give me a copy of the credit report, a summary of my rights under the Fair Credit Reporting Act, and the source of the credit report so that I may contact them, if I wish.
